

THE LUMINOUS TRAIL 2013

Call for Expressions of Interest from artists who create illuminated artwork, to participate in an exhibition opportunity in Port Adelaide during SALA Festival 2013.

This invitation is to artists from any region who work with:

- ***Light sculpture***
- ***Light box art***
- ***Lighting art / Projection Art***
- ***UV art***
- ***Other illuminated artforms***

2013 offers an inaugural luminous exhibition opportunity during SALA for your work to be featured in a light themed exhibition that is part of a guided walk trail through Port Adelaide (arguably one of the best precincts for lighting art due to the low levels of ambient light pollution). More info is available here: <http://projects.illuminart.com.au/port-adelaide-projects-2013/>
And : <http://www.facebook.com/NewLightIndustrial>

The artwork will be exhibited in vacant spaces and window spaces, with other opportunities available including balconies and interior spaces. Each selected artwork will be sited in a location that suits its requirements.

Expressions of Interest (EOI) are due from SOUTH AUSTRALIAN participating artist by 12 May 2013 to ensure that your name can be included in the SALA Festival program. EOIs after that date will only be included in the trail program, not in the SALA entry. EOIs from any region can be accepted until the end of June. Interested artists are invited to contact Illuminart for further information.

Once your EOI has been received and the entry confirmed, each participant will be sent instructions on the preparation and submission of their entry, to be submitted by the end of June.

To be part of the project fill out the following EOI form and return to portartistswindows2013@illuminart.com.au

This project is part of the New Light Industrial arts program partnership between Illuminart and City of Port Adelaide Enfield and has been supported by the Government of SA through the Arts SA Community Partnerships Fund.
