Each selected artwork will be sited in a location that suits its requirements.

Expressions of Interest (EOI) are due by 12 May 2013 to ensure that your name can be included in the SALA Festival program. EOIs after that date will only be included in the trail program, not in the SALA entry. EOIs can be accepted until the end of June. Interested artists are invited to contact Illuminart for further information.

Once your EOI has been received and the entry confirmed, each participant will be sent instructions on the preparation and submission of their entry, to be submitted by the end of June.

To be part of the project fill out the following EOI form and return to portartistswindows2013@illuminart.com.au

This project is part of the New Light Industrial arts program partnership between Illuminart and City of Port Adelaide Enfield and has been supported by the Government of SA through the Arts SA Community Partnerships Fund.
