

Call out for your contributions to make Hay Smile

We are calling on people of all ages to take part in Hayluminare 2022 by answering one question.

What makes you smile?

Your contributions will form the basis of the light projection installation that will be projected onto the Hay Shire Council building on the evenings of Thursday 14 April and Friday 15 April 2022

*Your response to the focus question “**What makes you smile**” can be expressed through a few simple words, images, videos, drawings, poems or artworks. How you choose to respond is up to you. We just ask that you ensure you have permission to use any images/video content you include. Your contributions will be reproduced for public viewing so we will not accept any inappropriate content.*

Contributions close on March 14, 2022 at midnight.

Contribute using the form below, or send/deliver to the Visitor Information Centre, 407 Moppet Street, Hay NSW.

Hayluminate Community Contribution terms and conditions are:

The contribution should relate to the nominated focus question 'What makes you smile?'.

Contributions made through this form are made by the original author / copyright owner of them or by an agent/guardian of the original author who has permission to contribute. The contribution is made with the permission granted to the Hay Shire Council to creatively include the contribution within the Hayluminate event project and associated promotion, granting a licence for the contribution to be used, projected, and digitally manipulated in this context.

Contributions may be excluded from the event at the discretion of the Hay Shire Council for any number of reasons including quality, relevance to the theme, appropriateness for public space, or upload after the stated deadline, or other reasons. While it is hoped that all contributions may be included the Shire does not guarantee that all will be and it is a condition that Contributors must accept the decision of the Hay Shire Council for the final selection of contributed images.

By filling out this form the contributor also permits that their email address and contact information will be stored for the purpose of communication about this project, such as to contact the contributor if there is a question.

We will only use your contact details and any other personal information that you give us for this purpose and will not disclose it without your consent, except where we are required to
